

SECURITY & WARRANTY

» All our weights come with
5 years warranty

Easy to use:

Thanks to 2 sleeves at the bottom (patented), our weights can be easily moved with a pallet truck or forklift.

Perfect finishing:

All our weights come with a nice and smooth surface finish.

» Warning:

In case of a big shock on our weights, we advise to check and if need be replace both shaft ends.

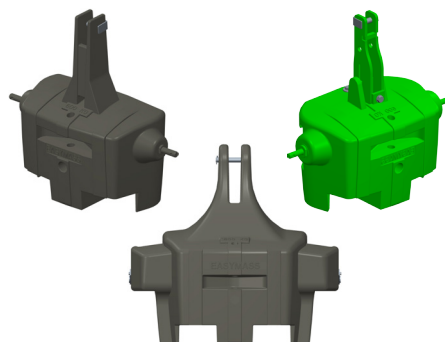

Our weights have not been developed for towing.
